

STARWAX CLEANER AND REVIVER (marble & natural stone)

For interior (kitchen, bathrooms...) or exterior (statues...)

- > Cleans, revives and adds shine to marble, granite, limestone and other polished natural stones (kitchen worktops, bathrooms, tiling, decorative stone...)
- > Indoor and outdoor use.
- > Neutral pH, does not attack marble or limestone.
- > Complies with legislation on cleaning products that permits it to be in contact with foodstuffs.

INSTRUCTIONS

Hold approximately 20 cm from the surface and spray. Spread the product with a damp non-abrasive dishcloth or sponge, then leave for a few minutes. Rinse to remove residue. Wipe with a clean, dry cloth.

RECOMMENDATIONS

To remove stains, use the **Starwax Marble and Natural Stone Restorer**, following the instructions.

COMPOSITION

Anionic surfactants: less than 5% Perfume.

PRECAUTIONS

Keep out of reach of children. Use only outdoors or in a well-ventilated area.
