

## **STARWAX RESTORER (marble and natural stone)**

*cleans, polishes, restores shine and eliminates limescale*

- > Cleans, polishes and gives a shine to decorative marble and untreated polished stone : for marble and polished natural stones (sandstone, granite...), unless otherwise indicated by the manufacturer
- > Eliminates limescale on wall tiles and wash-units
- > Apply regularly or just before the application of **Starwax Marble rejuvenator**.

### **INSTRUCTIONS**

**Acidic product. Follow the instructions carefully to avoid unintended results. It is recommended to make a test on a small section to check the results before applying to other areas.** Please note that some products and dark marbles are incompatible. Shake well before use. **Do not pour the product directly onto the surface:** First pour on a cloth, then apply in circular motions and polish until the product is completely ingrained into the marble. **Do not allow the product to rest on the surface for more than 2 minutes before polishing.**

### **RECOMMENDATIONS**

Do not use on varnished, crystallised, waterproof or waxed marbles, nor on floors.

### **COMPOSITION**

Nonionic surfactants: less than 5%.

### **PRECAUTIONS**

**ATTENTION** - Flammable liquids and vapours. Can cause serious eye irritation. Keep out of reach of children. Keep away from heat, hot surfaces, sparks, open flames and other sources of ignition. No smoking nearby. Use only outdoors or in a well-ventilated area. Wear eye and face protection. **IF SWALLOWED:** Immediately call a POISON CENTER or doctor. **IF PRODUCT TOUCHES EYES:** Rinse eyes cautiously with water for several minutes. Remove contact lenses, if necessary/possible. Continue to rinse eyes. Remove contact lenses if necessary/possible. Continue to rinse. If eye irritation persists: Get medical attention. Dispose of the packaging and its contents in accordance with the local authorities and regulations.
